

Greetings,

You may have heard of K' STAR, Inc., but most people are unaware of what we do. K' STAR is a two-fold program. We have an Emergency Children's Shelter that has been in Kerrville for thirty years. During this time, we have cared for innumerable children from birth to age seventeen. In addition to the shelter, we provide free Youth and Family Counseling in fourteen Hill Country Counties. Again, we have helped heal hundreds of families over these many years.

We are excited to announce our 3rd Annual Big Ta' Do and 30th-anniversary celebration!

**Save the date October 23, 2021!**

The event will consist of our traditional Skeet Shoot, Corn Hole tournament, and activities for the children, food, adult beverages, and live music by Southern Comfort.

To have a successful fundraiser, we need the backing of the people in the communities we serve. Here is how you can help sponsor our event. Invest in a Buddy Bench for your local school, make an item donation for our silent or live auction, you can also support our mission through a monetary donation. Proceeds from the fundraiser will aid in operational costs, help cover the cost of State-Mandated training, provide activities for the children, purchase supplies and enable us to provide the best possible care to the children and families that we serve.

If you would like more information about our programs, please visit our website, [www.kstar.org](http://www.kstar.org).

Thank you for taking the time to visit with us today about this event!

Sincerely,
