

SPONSOR A BUDDY BENCH!

The Buddy Bench Story

It is recess! Kids are screaming and balls are flying. Then you take a closer look, and find that some kids are not joining in on the fun. Christian Bucks, a 2nd grader at his Elementary School, witnessed lonely classmates at his school's playground, and wanted to make sure everyone had a friend. His solution?

The Buddy Bench!

If you are sitting on the bench ...

You are looking for a friend. When someone asks you to play, join them, and always remember to glance over at the school's Buddy Bench to invite new friends to join in on the fun.

If you are not sitting on the bench ...

Ask your classmate on the Buddy Bench to play, and make a new friend today! Keep growing your circle of friends until everyone has someone to play with.

K'STAR, Inc. would like to provide a Buddy Bench for every school we serve! This is where you can help by sponsoring a Buddy Bench! Our goal is to place a Buddy Bench on every playground and on each campus in our 14 county service area. There are roughly 100 schools in our catchment area needing a Buddy Bench!
